

## Ferrari 360 Spyder

The most striking aspect of the 360 Spider's styling is its highly effective, fully automatic folding top. Top down, the Spider's rear fairings evoke the great era of sports racing cars, smoothing the lines of the roll hoops that protect the occupants. A design tour-de-force, the Spider gives nothing away to the berlinetta (Modena hardtop model) on the road or boulevard. The 360 Spider's 5-valve per cylinder 3.6 liter V8 engine produces a record-breaking 400 bhp.
