

Rental Policies

What to know before you rent:

Requirements / Age Limit

All clients of i-95 exotics must complete a rental application prior to receiving a vehicle..

Vehicles are available to all drivers over the age of 23 with clean driving records (no major moving violations, DUI convictions, or similar infractions).

Insurance

Due to the types of vehicles we rent and the nature of the insurance industry, all renters must carry their own liability and physical damage policies and must verify with their insurers that coverage is provided for the vehicle being rented.

If a renter does not have their own coverage, we offer several other options to provide coverage during a rental. Please inquire for details on these options.

International Renters

Vehicles are available to international visitors with a valid passport and driver's licence from their home country. We can provide insurance coverage for those international visitors renting for a minimum of two days.

Additional Drivers

Additional drivers may be listed as authorized drivers. Each additional driver must complete a rental application and pay the associated fee.

Delivery / Pick-up

Automobile delivery and pick-up is available to and from your door or any area airport. Fees are as follows, each way:

Miami / South Florida

West Palm Beach Free

Boca Raton Free

Ft. Lauderdale Free

Miami (& all areas in between) Free

Orlando \$149 flat rate

Tampa \$149 flat rate

Naples \$99 flat rate

Other areas \$2.00 / mile

Please note: All pick-up & delivery arrangements must be confirmed at least 24 hours in advance in order to guarantee on-time service. Any changes to pick-up or delivery times/locations with less than 24 hours notice may incur an additional transportation fee.

Return Times

There will be a 1-hour grace period with your scheduled return time, after which you may be subject to additional daily rental fees.

Damage Deposit

All renters must leave a damage deposit in the form of a credit card authorization or refundable cashier's check. Any damage found on the vehicle upon return will be billed against this deposit. The amount of this deposit will vary depending on the vehicle being rented.

Cancellation Policy

When you make a reservation, we may authorize your credit card for 50% of the total rental cost or \$500 (whichever is greater). In the event of a cancellation or rescheduling, we will process the charge as a "store credit" and apply the amount toward your rescheduled rental.

If you cancel or reschedule less than 7 days before your rental, you will be charged a cancellation fee of 50% of the total rental cost or \$500 (whichever is greater) in addition to the above-mentioned deposit.

If you cancel or reschedule less than 72 hours before your rental (or are a no-show at the time of rental), you will be charged a cancellation fee of 100% of the total rental cost.

At our sole discretion, cancellation fees may be waived for special circumstances (severe weather, etc.)

Payment Methods

VISA, Mastercard, American Express are the preferred method of payment for rental fees and damage deposits. In certain cases, cashier's checks or cash may be accepted if pre-arranged. Personal & business checks are not accepted.

During your rental:

Refunds

We do not offer refunds for vehicle rentals or gift certificates. However, our goal is total satisfaction for our renters, so in certain situations we may offer credit for additional rental days (i.e. really miserable weather). This is solely at our discretion.

In the event of an unforeseen mechanical failure during or prior to a rental, we will make every effort to repair or replace your vehicle with a similar or better model at no additional cost to you.

Driving Area Restrictions

Vehicles rented from our South Florida office may not be driven outside the state of Florida without prior written approval.

Prohibited Uses

The vehicles may not be used:

by anyone not licensed to drive or whose Driver's License has been suspended or restricted

for any illegal purpose or in connection with any illegal activity

to carry persons or property for hire

to push or tow anything

to exceed any posted speed limits

in any speed test, speed contest, race, rally, speed endurance contest, demonstration, or on or near any racetrack or road course (we're serious about this -- no insurance company on earth will cover the car while on the track, and that means we're both on the hook for a LOT of money)

to teach anyone to drive

on any unpaved surface

In the event of a violation of these Prohibited Uses, we reserve the right to remotely disable and retrieve the vehicle.

Tickets

The renter is responsible for all parking, traffic, speeding or other tickets or violations issued while the vehicle is being rented and must pay for any fees, penalties, towing charges, or impound costs.

Tire wear

The renter is fully responsible for excessive tire and will be charged on a pro rated basis.

Mileage

Daily and weekend rentals include 100 miles free per day and weekly rentals include 500 miles free, unless stated otherwise. Each additional mile driven will be subject to a charge at the stated mileage rate.

Vehicles driven over 400 miles per rental day will be subject to an additional surcharge of \$2/mile on top of all other charges in order to cover excess wear-and-tear.
