

Porsche Boxster

The Porsche Boxster introduced in the late 1996 has taken the crown of the roadster segment. Powered by a 2.5 lt engine and sold at an incredibly affordable price compared to its big sister - the 911 - what truly distinguishes this vey beautiful car from the rest of the roadsters is its handling.

Includes 100 Miles per day and only \$0.49 per mile after! [Click Here To Book Now!](#)

Rental Daily Rate: \$195
