

## Harley Sportster 883

The Harley Davidson Sportster 883 Low is a fun motorcycle. The Harley Davidson 883 Sportster's have an Evolution V-Twin engine which has been bored out to a total of 883cc. Previously we mentioned that the Harley Davidson Sportster's look have remained relatively unchanged since the first one was built back in 1958. The only real difference that the owner of the latest models will notice is that these bikes are now built using high quality modern parts and materials.
